Subject: RE: Questions about BSN feedback
Date: Friday, March 23, 2018 at 10:10:43 AM Pacific Daylight Time
From: Bulling, Larry Miles
To: Mathern, Rebecca, Witzke, Kara

I can post the list from below in the current and new catalog. The MyDegrees templates label the terms Fall 1, Winter 1, Spring 1, then Fall 2, Winter 2, Spring 2, etc.

Subject: Re: Questions about BSN feedback

I did copy that information directly from the proposal below. If this is sufficient then I will proceed. Thank you.

Subject: RE: Questions about BSN feedback

Okay, so can you just list a term by term list of courses that they MUST take here? That should cover it.

Subject: Re: Questions about BSN feedback

No, they can’t. OSU does not have the 2-yr clinical nursing program. They complete that at a community college, sit for the RN licensure exam, then come to us for their RN to BSN.
Kara
Will any students take all 4 years here or no? The answer to that will impact my answer to you.

Rebecca, do you want me to list COCC classes that are taken as part of the ASN and add in our courses? This will be different for every community college in the state and is normally a document that is created as part of an advising plan that is posted on the web, correct? We are clear in the proposal that students are required to complete the BACC core requirements which may vary depending on what they have already taken. We don’t offer the ASN courses that lead to the RN at OSU.

Kara

Hi Kara,
I didn’t get a chance to respond earlier. The idea is that you assume someone starts from the beginning and then you could also create a plan for someone who starts two years in. It doesn’t have to be something that will work for everyone, just a template that people can start with to create their unique plans.

Hope this helps,

Rebecca

Sorry…it was John Schuna, not Marc!

Rebecca,
Marc Norcross forwarded me your feedback on the BSN proposal. I have a question about your comment about the missing “4-yr plan.” Since this is only a “continuation” program that requires that students already have their BSN, we don’t prescribe any additional BACC core coursework that students may need for their degree because they will each need something different. Some will have completed an ASN, some will have the AAS, some will have the AAOT. We will help them navigate their additional requirements for their BSN on a case by case advising basis and have stated this in the proposal.
Aside from that, the program will accept new students each fall, winter, and spring so the 2-yr part
ime program in the proposal simply lists these as “Term 1, Term 2, etc”. Is that sufficient? This is what
the program looks like in the proposal:

a. Course of study – proposed curriculum, including course numbers, titles, and credit hours.

**OSU Graduation Requirements:**
- 180 quarter credit hours required for a baccalaureate degree
- 60 upper-division credits for a baccalaureate degree
- 45 OSU credits to meet credits in residence for an OSU baccalaureate degree

**RN to BSN degree requirements:**
- Associate Degree in Nursing (ADN) verified by transcript and unencumbered Oregon RN licensure.
- OSU Transfer student admissions requirements
  - 36 transferable credits
  - Grade of C- or better earned in the following courses:
  - College-level writing beginning with WR 121 (English Composition) or equivalent, and
  - Mathematics equivalent to MTH 105 (Introduction to Contemporary Mathematics) or MTH 111 (College Algebra) or higher
  - Minimum cumulative GPA of 2.25 on transferable credits

**OSU Baccalaureate Core after transfer (see details below).**

**BSN Support Core** courses to be completed at OSU, 14 credits (6 upper-division credits)
- H 100 (4) Introduction to Public Health
- ST 201 (4) Principles of Statistics or an equivalent transfer course
- Upper Division BSN Support Electives (6 credits): PHL 444 Biomedical Ethics (4); LEAD 342 Team and Organizational Leadership (3); LEAD 442 Leadership Skills for Career Success (3); H 312 HIV/AIDS and STIs in Modern Society (3); H 333 Global Public Health (3). Additional upper-division elective courses can be approved by the Executive Director.

**RN to BSN upper-division credit hours to be completed at OSU (42 quarter credit hours)**

**Additional credits may be required to meet the OSU Graduation requirements**
(graduation requirement is 180 credits, including 60 upper-division credits).

*Students may elect to take additional elective credits at a community college before transferring into the BSN to complete 180 total college credits.*
BSN Program Detailed Curriculum

Baccalaureate Core:

- Complete all Baccalaureate Core requirements not completed with Associates in Nursing degree and other transfer work.
- AAS or ADN degrees must complete the following Baccalaureate Core requirements. *Student may elect to complete some of the Baccalaureate Core with courses at community colleges while working toward their Associate’s degree. Use the Baccalaureate Core transfer articulation table for the Oregon community college to determine approved Baccalaureate Core transfer courses.*

Skills:

- Writing II* (3) [may be completed with ADN support WR 122 or 227, see AAS degree requirements]
- Speech* (3)
- Fitness* (3)
- Mathematics* (3-4): MTH 105 (3), MTH 111 (4) or higher required for OSU transfer admissions

Perspectives:

- Physical Science (4) [may be completed with ADN support course in Chemistry, see Baccalaureate Core tables]
- Biological or Physical Science* (4)
- Cultural Diversity* [completed with NUR 415]
- Literature and the Arts* (3-4)
- Social Processes and Institutions* (3-4)
- Western Culture* (3-4)

Difference Power and Discrimination* (3-4)

Synthesis:

- Contemporary Global Issues (3-4)
- Science, Technology, Society (3-4)

(*) indicates courses that can be completed by transfer work from an Oregon Community College.

Baccalaureate Core: Writing I, Mathematics, Biological Science completed with OSU transfer admissions requirements and Microbiology requirement required for Associate’s degree in Nursing. Writing II, Physical Science can be completed with ADN support courses.

**Associate of Arts Oregon Transfer degrees** must complete the following Baccalaureate Core requirements. *Students who have completed an AAOT in Nursing from an Oregon*
Community College will have completed all Skills, Perspectives, and Difference, Power, Discrimination Baccalaureate Core requirements.

BSN Major Core:
The required curriculum for the nursing major will be comprised of 42 quarter credit hours:

- NUR 411 (1) Informatics in Nursing
- NUR 412 (3) Transition to Professional Nursing
- NUR 413 (3) Advanced Health Assessment
- NUR 414 (3) Nursing Epidemiology
- NUR 415 (3) Nursing Practice in a Multicultural Society [fulfills Core: Cult Div]
- NUR 416 (4) Population-focused and Community-based Nursing Practice: I
- NUR 417 (5) Population-focused and Community-based Nursing Practice: II
- NUR 418 (3) Health Care System Issues in Nursing Practice
- NUR 419 (2) Health Care Quality in Nursing Practice
- NUR 420 (4) Nursing Research and Evidence Based Practice [fulfills WIC]
- NUR 421 (3) Aging and End of Life Issues in Nursing
- NUR 422 (3) Health Promotion in Nursing Practice
- NUR 423 (5) Nursing Leadership

BSN Support Courses:
14 credits from various departments.

- H 100 Introduction to Public Health (4)
- ST 201 Principles of Statistics (4)

Electives (6 credit hours) from the following list of existing courses currently taught via Ecampus (additional upper-division support courses may be approved by Executive Director):

- PHL 444 Biomedical Ethics (4) [fulfills Core: Synth Sci Tech & Soc]
- LEAD 342 Team and Organizational Leadership (3)
- LEAD 442 Leadership Skills for Career Success (3)
- H 312 HIV/AIDS and STIs in Modern Society (3) [fulfills Core: Synth Global Issues]
- H 333 Global Public Health (3) [fulfills Core: Pers, Soc Proc & Inst]

Depending on the courses students choose to complete various Baccalaureate Core requirements,
additional upper-division electives may need to be taken to meet the 60 upper-division credit minimum.

**Part Time Curriculum Plan (6 - 8 credit hours/term, 2 calendar years to complete including summers)**

**BSN Program Information**

BSN program admissions requirements: Associate Degree in Nursing (ADN) verified by transcript and unencumbered Oregon RN licensure and meet OSU transfer admissions requirements. Students who are admitted into the BSN complete the following major requirements. The following part time academic program reflects completion of BSN major requirements. Students graduating from OSU must also meet OSU University Requirements.

**2-YEAR PLAN**

*Cohort model with new cohorts starting fall, winter, and spring terms:*

**Term 1:**
NUR 412 (3 cr) – Transition to Professional Nursing  
ST 201 (4 cr) – Principles of Statistics (if not already completed) or BSN Support UD Elective

**Term 2:**
NUR 414 (3 cr) – Epidemiology  
NUR 413 (3 cr) – Advanced Health Assessment

**Term 3:**
H 100 (4 cr) – Introduction to Public Health (if not already completed) or BSN Support UD Elective  
NUR 422 (3 cr) – Health Promotion In Nursing Practice

**Term 4:**
NUR 418 (3 cr) – Health Care System Issues in Nursing Practice  
NUR 420 (4 cr) – Nursing Research and Evidence Based Practice (satisfies WIC)

**Term 5:**
NUR 416 (3 cr) – Population-focused and Community-based Nursing Practice I  
NUR 421 (4 cr) – Aging and End of Life Issues in Nursing

**Term 6:**
NUR 417 (5 cr) – Population-focused and Community-based Nursing Practice II  
NUR 411 (1 cr) – Informatics in Nursing

**Term 7:**
NUR 423 (5 cr) – Nursing Leadership  
NUR 419 (2 cr) – Health Care Quality in Nursing Practice

**Term 8:**
NUR 415 (3 cr) – Nursing Practice in a Multicultural Society (satisfies Perspectives: Cultural Div)  
BSN Support Upper Division Elective (3 cr) – if not already completed Term 1  
BSN Support Upper Division Elective (3 cr) – if not already completed Term 3

- Students must complete BSN major requirements and OSU University requirements for graduation.  
OSU University Requirements include:  
  - 180 college credits (60 credits must be upper division)  
  - 45 out of last 75 credits must be taken at OSU  
  - all courses required in the Baccalaureate Core
• Students may complete other coursework required for graduation before, during or after completion of NUR courses.
